Management Style

The imaxx Canadian Dividend Plus Fund's investment objective is to achieve long term capital growth with the potential for monthly income by investing primarily in dividend-paying common and preferred shares of Canadian corporations. For diversity, the Fund may also invest in fixed income securities, investment trust units and shares of global corporations.

The fund's portfolio is deeply diversified. The fund is invested primarily in equity securities of Canadian corporations. Up to 30% of the fund's assets may be invested in foreign securities. Fixed income securities may also be included to enhance income, manage volatility and/or liquidity, or to exploit risk-adjusted return opportunities across the capital structure.
